

兔抗 TAF1A 多克隆抗体

中文名称：兔抗 TAF1A 多克隆抗体

英文名称：Anti-TAF1A rabbit polyclonal antibody

别名：TATA box binding protein (TBP)-associated factor, RNA polymerase I, A, 48kDa

相关类别：一抗

储存：冷冻（-20℃）避光

抗原：TAF1A

宿主：Rabbit

反应种属：Human Rat

标记物：Unconjugate

克隆类型：Unconjugate

技术规格

Background:	TATA box binding protein (TBP)-associated factor, RNA polymerase I, A, 48kDa
Applications:	WB
Name of antibody:	TAF1A
Immunogen:	Synthesized peptide derived from internal of human TAF1A.
Full name:	TATA box binding protein (TBP)-associated factor, RNA polymerase I, A, 48kDa
Synonyms :	TATA box binding protein (TBP)-associated factor, RNA polymerase I, A, 48kDa
SwissProt:	Q15573
WB Predicted band size:	53 kDa
WB Positive control:	Hela cells lysate
WB Recommended dilution:	500-3000
