

兔抗 SERGEF 多克隆抗体

中文名称：兔抗 SERGEF 多克隆抗体

英文名称：Anti-SERGEF rabbit polyclonal antibody

别名：Gnefr; DELGEF

相关类别：一抗

储存：冷冻（-20℃）避光

宿主：Rabbit

抗原：SERGEF

反应种属：Human Mouse

标记物：Unconjugate

克隆类型：rabbit polyclonal

技术规格

Background:	Probable guanine nucleotide exchange factor (GEF), which may be involved in the secretion process.
Applications:	WB
Name of antibody:	SERGEF
Immunogen:	Synthesized peptide derived from internal of

	human SERGEF.
Full name:	secretion regulating guanine nucleotide exchange factor
Synonyms :	Gnefr; DELGEF
SwissProt:	Q9UGK8
WB Predicted band size:	49 kDa
WB Positive control:	NIH/3T3 cells lysate
WB Recommended dilution:	500-3000
