

兔抗 VILL 多克隆抗体

中文名称：兔抗 VILL 多克隆抗体

英文名称：Anti-VILL rabbit polyclonal antibody

相关类别：一抗

抗 原：VILL

储存：冷冻（-20℃）

宿 主：Rabbit

反应种属：Human

标 记 物：Unconjugate

克隆类型：rabbit polyclonal

技术规格

Background:	The protein encoded by this gene belongs to the villin/gelsolin family. It contains 6 gelsolin-like repeats and a headpiece domain. It may play a role in actin-bundling.
Applications:	ELISA, IHC
Name of antibody:	VILL
Immunogen:	Fusion protein of human VILL
Full name:	villin-like
SwissProt:	O15195
ELISA Recommended dilution:	5000-10000
IHC positive control:	Human brain and human lung cancer
IHC Recommend dilution:	50-350
